SPOTLIGHT ON...

Semper San Francisco would like to recognize both **Nazanine M.** and **Alex S.** for their continued efforts. Both Nazanine and Alex are on-call and are always willing to drop whatever they are doing to help. Thank you to you both. Your efforts are very much appreciated by both myself and the clients.

Semper Long Beach recognizes **Angelica S!** Angelica has gotten great feedback from both her supervisors on her work at one of our largest clients. Recently they had a reduction in hours to flex with the economic strains, and Angelica said she was happy to be flexible because she enjoys working there and knows how lucky she is to have a job right now! Thank you for your flexibility and can-do attitude Angleica!

Semper Minnesota would like to recognize **Joann S.** who stepped into a key buyer position to help out one of our larger national accounts. She walked into a seasonal position with a can do attitude and a solid work ethic that has been a tremendous asset to a key customer, and impressed their veteran team of buyers.

Semper Atlanta would like to nominate **Corey M** as the employee of the month! He has gone above and beyond the call of duty and has been a great addition to the team. Thank you Corey for your continued efforts.
